INVITATION LETTER

Dear compatriot:

Since 1991 after Armenia gained Independence, its priority issue was to strengthen the achievements, to ensure the development of Armenian state system and its on-going enhancement in line of geopolitical and economic developments.

The above-mentioned objectives and goals would be impossible to achieve without each of us firmly following everyday activities aimed at strengthening Mother country, in accordance with free market-oriented principles of the resolution of the Republic's governance.

The successful implementation of the Republic's Government's inherited policy allows to have registered for the last five years unprecedented stable economic growth dynamics, average income increase per capita, the development of market economy, existing opportunities for investment and business environment corresponding to world economy integration and international recognition standards.

Dear compatriots, presently, the most favorable conditions have been created and there arose a need to discuss the existing main issues altogether in order to find decisions which will help to maintain the achievements and to ensure further stable growth.

The first similar kind experience was made in 1999 at Armenia-Diaspora First Conference, afterwards during Armenia Diaspora Second Conference in 2002. Taking into consideration the proposals, made in the economic section of the 2-nd Conference, covering the interest among Armenian and Diaspora businessmen and considering of paramount importance and great need of development and promotion of Armenia-Diaspora economic cooperation by the decision of the Prime-Minister of the Republic of Armenia in September 22-24 current year All-Armenian economic forum is being convened.

The Forum aims at fostering the development and more strengthening of economic collaboration in order to reach a new quality level based on mutually beneficial publicly recognized principle.

The most important and key issues regarding economic sector, perspectives and possibilities of Armenia-Diaspora economic collaboration further development and adoption will be represented and discussed in the framework of the Forum's agenda.

The implementation of the measures to be undertaken during the Forum will enable to most efficient use of Diaspora and Armenia economic potential for the favor of our Mother country and well being of all Armenians. The Forum will bring a new energy for investment and export promotion, for the creation of working mechanisms for the acquisition new markets and partners.

With the strong emphasis on Armenia-Diaspora relations' continuous development and for Armenia to occupy the place honorary for our nation in the whole civilized world, for the sake of the need of all Armenians unanimous effective works we courteously invite all our compatriots from business circles to participate in the Forum and to contribute to most important and generous issue – development of Armenia-Diaspora economic cooperation by your resolute decisions.

*Mr. K. Chshmarityan,
Minister of Trade and Economic Development
of the Republic of Armenia,
Chairman of the Inter-Governmental Committee*
